

What Descendant are You?

getawaytoday.com

1 **Jane**
You are shy but get more confident every day. It's not easy living in Fairy Godmother's shadow. Although, your skills with a wand are pretty awesome...just ask Mal.

2 **Ben**
You are friendly and honest and stick up for the little guy...or the evil ones! You are a true prince and are quick to help a damsel in distress.

3 **Uma**
Ahoi! You know how to take care of a crew and you certainly have sea legs. (Eight of them!) You are sassy and tough and a little bit evil.

4 **Mal**
You are loyal and fierce and a little bit thickheaded. You are strong and can hold your own in a fight. Keeping up with you evil friends is a challenge because you care for the people around you.

5 **Jay**
You are strong and athletic. You use your hands to win Tourney matches and other times ... to steal objects on the fly. With your good looks, you are also good at stealing hearts.

6 **Carlos**
You are happy to follow the pack. You are smart, tech savvy, and well-groomed. You are loyal like a puppy. Your inner strength is there just waiting to burst out.

7 **Gil**
You are loyal and fierce and a little bit thickheaded. You are strong and can hold your own in a fight. Keeping up with you evil friends is a challenge because you care for the people around you.

8 **Frie**
You are the fairest of them all! But, you are more than just a pretty face. You can ace a Chemistry test and design a killer outfit without breaking a sweat!

9 **Mal**
You have strong magic, but you aren't using it for evil deeds. You filled the hole in your heart with love & friendship and discovered that being good makes you happy!

10 **EVIL**
You are strong and athletic. You use your hands to win Tourney matches and other times ... to steal objects on the fly. With your good looks, you are also good at stealing hearts.

11 **ROTTEN**
You are strong and athletic. You use your hands to win Tourney matches and other times ... to steal objects on the fly. With your good looks, you are also good at stealing hearts.
