

## STAR WARS MAD LIBS JEDI TRAINING

It was a day for Luke Skywalker. He was
learning how to be a real Jedi From his teacher, Master
Yoda. Yoda is only Feet tall and his skin is
Luke some lessons: To be a Jedi you must first
be You must also be strong. To build
strength, balance on your hands for minutes and
do pushups. This will make your muscles
yourself. A Jedi uses a of great called
a lightsaber. Luke's lightsaber is He learns
how to strike, block, and in a fight. He has to
jump and run Being a Jedi is not
He wants to with the Dark Side and win!
